

## Red Bull 5X:

A new pick-up game for surfing.

Here's how it works: Round up five surfers and head to your favorite break. Throw in \$5 each, paddle out and surf for 90 minutes straight. Then judge each other on these five criteria: Torque, Boost, Push, Mojo and Combo.

Use the scorecard to rank each criteria from one to five, with five being the best. Add up the total score from each of the criteria to determine the session's winner. The winner gets the cash. But more importantly, the winner gets the respect.

### RB5X Judging Criteria

**Torque:** Best turn. Complete the most impressive maneuver performed on a wave.

**Boost:** Biggest air. Complete the most impressive maneuver performed in the air.

**Push:** Most creative. Demonstrate the most innovative or imaginative maneuver performed on a wave or in the air. Attempts count.

**Mojo:** Most connected. Demonstrate masterful wave judgement and utilization. For example, the deepest tube.

**Combo:** Smooth linkage, complete the most impressive combination of two or more of the above on a single wave with a clean transition.
